MOTION FOR A RESOLUTION

tabled by Mrs LIZIN

pursuant to Rule 47 of the Rules of Procedure

on a European regional planning scheme

PE 78.544

The European Parliament,

- having regard to the particular importance of the role played by the Community in transfrontier matters,
 - whereas the European institutions should assert their role as regards European regional planning and whereas a coordination of policies is called for,
1. Proposes that the Commission draw up a European regional planning scheme;
 2. Considers that this scheme should at the very least consist of:
 - a survey of transfrontier problems,
 - a survey of major infrastructures (completed or planned),
 - a survey of regions to be protected. On this basis, a debate should be arranged in the European Parliament (after consultation of the councils and non-governmental organizations concerned) and its conclusions forwarded to the Council;
 3. Requests that this scheme be organized in cooperation with the administrations of the Member States, with the consultative councils and with the specialist non-governmental organizations;
 4. Instructs its President to forward this resolution to the competent authorities.
